

OXFORD DISCOVERY LEARNING PROGRAM 2018

Splashing Into 2nd Grade

April 27, 2018

To Parents of Students Enrolled in Second Grade Classes for September, 2018:

It is my pleasure to announce Oxford's self-supporting Discovery Learning program for the summer of 2018. Classes will be held four days a week – Tuesday through Friday (except for week 1 – we will begin **THURSDAY** because of the July 4th holiday), beginning July 5 and continuing until July 27, 2018.

"Splashing Into 2nd Grade" will be offered during the four weeks listed above, from 8:30 – 11:30 a.m. at Quaker Farms School. **Parents are responsible for transportation to and from Quaker Farms School.**

The fee for this class is \$200.

Course Description: This class is for children who have completed first grade and are entering second grade. Splash your way through summer by engaging in a summer themed unit geared towards learning and having fun. Students will participate in language arts, math, and science activities as well as arts and crafts, and playing games. Students will be able to interact socially with other students who are also splashing into second grade. It will be a splashing good time!

Sufficient enrollment is essential; if the minimum is not reached, a refund will be issued and the class will be cancelled. Parents will be informed if this measure must be taken.
