

# OXFORD DISCOVERY LEARNING PROGRAM 2017

## Whales of Fun

### A Class For Students Entering 1<sup>st</sup> Grade

April 26, 2017

To Parents of Students Enrolled in First Grade Classes for September, 2017:

It is my pleasure to announce Oxford's self-supporting Discovery Learning program for 2017. Classes will be held four days a week – Tuesday through Friday, beginning July 5 and continuing until July 28, 2017. \*\* Please note: Classes will begin **WEDNESDAY, July 5**, because of the holiday on Tuesday.

"Whales of Fun" will be offered during the four weeks listed above, from 8:30 – 11:30 a.m. at Quaker Farms School. **Parents are responsible for transportation to and from Quaker Farms School.**

**The fee for this class is \$200.**

Course Description: This class is for children who have completed their Kindergarten year and are entering first grade. "Whale" your way through the summer days on land by participating in a whale unit. Students will do various language arts activities such as poetry, singing, journals, and whale-related stories. We will also make fish puppets and a large whale in an ocean mural. Math activities such as graphing, estimating, and measuring will be applied in this class. It will be a whale of a summer at Quaker Farms School! Come and join us for learning and lots of fun!

Sufficient enrollment is essential; if the minimum (10 students per class) is not reached, a refund will be issued and the class will be cancelled. Parents will be informed if this measure must be taken.

Please fill in the registration slip below and send (with payment) to:  Damon Ott: Director of Discovery Learning
